Cambridge Reactor Design Ltd warrants that the goods supplied will be free from defects in material and workmanship, and will operate freely without failure or leakage.

If within one year from date of initial operation, the purchaser discovers that such item(s) was not as warranted above, notifies Cambridge Reactor Design in writing within 30 days from date purchaser discovered; or should have discovered, then Cambridge Reactor Design shall remedy such non-conformance by, at Cambridge Reactor Design option, adjustment or repair or replacement of the item and any affected part of the product(s) within 30 days of such notice. Purchaser shall assume all responsibility and expense for removal, reinstallation and freight in connection with the foregoing remedies.

Cambridge Reactor Design shall not be liable for incidental or consequential losses, damages, or expenses, directly or indirectly arising from the sale, handling or use of the goods, or from any other cause relating thereto, and Cambridge Reactor Design liability hereunder in any case is expressly limited to replacement (in the form originally shipped) of goods not complying with this agreement, or, at Cambridge Reactor Design's election, to the replacement of, or crediting Purchaser with, an amount equal to the purchase price of such goods whether such claims are for breach of warranty or negligence.
